Consultation questions

Other SA consultation documents

1. If you wish to make general comments on any aspect of the Sustainability Appraisal (SA) Objectives and Alternatives Report, please set out your comments below specifying which paragraph/section your comment relates to.

Please provide reasons for your answers:

Table 2.2. Objectives

2- Housing

5 - Biodiversity

10 - Water

2. Please set out the changes you consider necessary to resolve the issues you have identified above. Please explain why these changes will improve the SA.

Please provide reasons for your answers:

2 -Housing. Affordable housing not the answer to housing shortage. Such housing should be supplied via councils and maybe housing associations.

5- Biodiversity. Should mention conserving ancient woodland.

10 - Water - developers should be forced to use permeable surface coverings wherever they normally put tarmac.
