### 1. Overview and objectives

Do you agree that these are the right Objectives for the Local Plan?

Disagree

Please provide reasons for your answers (200 words max):

There needs to be an important place for Leisure, Sport and Recreation in the plan.

This heading relates directly to Community Development & Cohesion, Health & Well-being, Sustainability, aspects of transport and connectivity, economic development and the notion of Taunton as a sub regional hub.

### 2. Carbon neutrality

**Question 1a: Should we aim to require that all newdevelopment is 'zero carbon' by as soon as possible (e.g. by 2025) or give slightly more time (e.g. by 2030) for developers to adapt their design approaches, materials and suppliers?**

As soon as possible (e.g. by 2025)

**Question 1b: Should we allocate sites for specific renewable energy development or identify broad areas which we consider suitable?**

A combination of both of the above

**Question 1c: Do you have any comments on these policy approaches?**

Please provide comments (250 words max):

### 3. Sustainable locations

**Question 2a: Do you agree with the tiers that identifies Taunton followed by 6 tiers covering the other settlements?**

Yes

**If not, what changes would you make and why? (200 words max):**

**Question 2b: Do you think Watchet and Williton should be seen as associated settlements for the purposes of the Local Plan due to their close proximity and in complementing the services of each other (and therefore be in a higher tier to Bishops Lydeard and Wiveliscombe)?**

No - Watchet and Williton should be seen as separate settlements

**Please provide reasons for your answers (200 words max):**

**Question 2c: Do you think we should carry on with the way housing is currently distributed across our area (see pie chart) or should we be doing something different, such as one of the three options suggested below?**

Leave housing distribution the same

**Please provide reasons for your answers (200 words max):**

**What else do you think about housing distribution in our area?**

**Please provide comments (250 words max):**

**Question 2d: Do you have any comments on these policy approaches?**

**Please provide comments (250 words max):**

#### **4. New and affordable homes**

**Question 3a: Should our housing requirement figure match the Government's minimum figure of 702 dwellings per year or should we have a higher figure?**

The housing requirement should be the Government's minimum figure of 702 dwellings per year

**Please provide reasons for your answers (200 words max):**

Hurry slowly. Population growth is not an exact science.

**Question 3b: How should we proactively plan for Gypsy, Traveller and Travelling Showpeople pitches?**

Apply rural exceptions criteria for small scale residential sites where pitches which would be affordable in perpetuity; and/or

**Please provide reasons for your answers (200 words max):**

**Question 3c: Should we require that all new housing developments include a percentage of new homes that are designed to be accessible, adaptable and wheelchair accessible?**

Require a proportion of dwellings to meet the category standard as set out in Building Regulations Part M.

**Please provide reasons for your answers (200 words max):**

Housing should be a right for all citizens.

**Question 3d: How should we provide for custom self-build plots? Should we:**

Include a positive encouragement policy, including for community-led projects, and leave the housing market to deliver plots as and when demand arises; and/or

**Please provide reasons for your answers (200 words max):**

**Question 3e: Do you have any comments on these policy approaches?**

**Please provide comments (250 words max):**

Provision of 'affordable' homes should not be ceded at the slightest pressure from builders.

#### **5. A prosperous economy**

**Question 4a: Should we ensure the growth of our local economy through an increase in the proportion of higher value jobs (with limited increase of jobs overall) or through a significant increase in the number of jobs?**

Develop bespoke and realistic growth ambitions linked to the Council's Economic Development (Prosperity) Strategy (i.e. increase the proportion of higher value jobs within existing overall job numbers and not pursue a significant increase in job numbers overall); or

**Please provide reasons for your answers (200 words max):**

We need to get into a virtuous and positive spiral where we have a strong local skills base that attracts new, high level businesses.

Encouragement of agglomeration in certain areas - not just nuclear power - would be helpful.

**Question 4b: Should we keep all of our existing employment sites and allocations in employment use or should we allow the loss of some to other uses? How should we decide which ones to lose?**

Develop flexible policy allowing for the loss of any existing/ proposed employment site subject to specific criteria

**Please provide reasons for your answers (200 words max):**

**Question 4c: Do you have any comments on these policy approaches?**

**Please provide comments (250 words max):**

## **6. Infrastructure**

**Question 5a: On what infrastructure should we prioritise developer contributions? (Please rank in order of priority)**

IO - 5a - ranking - Affordable housing:

IO - 5a - ranking - Designing for the Climate Change Emergency:

IO - 5a - ranking - Accessible, Adaptable and Wheelchair Accessible homes:

IO - 5a - ranking - Strategic Infrastructure (schools, transport, community facilities):

**Question 5b: Do you have any comments on these policy approaches?**

**Please provide comments (250 words max):**

Setting a rank order risks setting one laudable approach ahead of another. A more nuanced and combined approach might be better.

## **7. Connecting people**

**Question 6a: How can we encourage people not to use their car when travelling into our towns for shopping and work? How can we provide more opportunities for using public transport in rural areas?**

**Please provide comments (200 words max):**

Dial a ride. Moped/Scooter loan schemes. Community mini buses.

**Question 6b: Do you have any comments on these policy approaches?**

**Please provide comments (250 words max):**

**Please provide comments (200 words max):**

**Question 7b: Do you have any comments on these policy approaches?**

**Please provide comments (250 words max):**

## **10. Wellbeing of our residents**

**Question 9a: Do you have any comments on these policy approaches?**

**Please provide comments (250 words max):**

We should invest in a range of sport, leisure and recreation provisions.

We have huge numbers of young people dropping out of physical activity due to lack of access to opportunities.

I would be very happy to provide a range of examples and comparisons.

For a starter, Liévin (population 31,000) hosts international indoor athletics events while our athletes have to travel to Cardiff for indoor training.

## **11. Policies for our places: Taunton**

**Question 10a: How do you think we could introduce more housing into Taunton Town centre?**

Requiring a housing mix skewed towards dwellings with fewer bedrooms; or
