1. Overview and objectives

Do you agree that these are the right Objectives for the Local Plan?

Disagree

Please provide reasons for your answers (200 words max):

I have selected 'disagree' just so I can supply a comment. I neither agree or disagree. One item I wanted to flag is there seems to be limited content on Leisure & Sport which would directly link and compliment some of the local plans health and well being objectives. A comprehensive Sport England Playing Pitch Strategy was completed a couple years ago by the LA and there seems to be no reference of any of the key priorities within that strategy linked to your local plan.
