Wellington in need of improved sports facilities - football club needs a new, improved site. Question 11a: Do you have any comments on these policy approaches?

Please provide comments (250 words max):

Wellington is desperate for new sports facilities, the football provision in particular needs much more space and better facilities, especially so that children have a better pitch for matches and have somewhere they can call their own for training and matches. You only need to look at football facilities at Bishops Lydeard or the multi-sports facilities at Longmead, Hemyock to see what Wellington should be offering. A MUGA would be great addition to the town - netball is really growing in popularity and a court for hire would be amazing - both for adults and children. We are such a growing town but feel we need so much more in terms of these kinds of facilities.
